

Aerial view of the newly-constructed roundabout at the intersection of SD Highway 10 and 8th Ave. E. in Sisseton.

Raised street-level view of the newly-constructed roundabout at the intersection of SD Highway 10 and 8th Ave. E. in Sisseton.

The street-level photo at left shows an individual in the center of the roundabout holding a 12-foot pole to provide a sense of dimension for the art space.

(Photo taken from the south, looking north, on 8th Ave. E.)
