EVENT INFORMATION

1. Each exhibit booth space is 10'x10'. Artists may purchase multiple spaces.
2. Artists may exhibit as many pieces as will fit into the booth area. Artists with extremely large pieces may get prior permission to exhibit in limited larger spaces outside the tent.
3. It is recommended that artists show their own work. However, individual dealers or agents may stand proxy for artists.
4. The Show's selection of a sculptor confirms his or her commitment to exhibit. **NO REFUNDS will be made after April 10, 2020.**
5. The Arts Council (HCAC) will collect all payments for purchases. A 3% processing fee will be collected on all credit card sales. The HCAC is responsible for collecting and reporting SD sales tax.
6. The HCAC will retain 25% commission on each artist's total sales. For example, if your total sales (cumulatively, for all pieces sold) equal \$6,000, the HCAC commission is \$1,500.
7. Artists agree that the work they exhibit will be of the same type as the images submitted for jury or review by the HCAC. For example, an artist admitted for sculpture is not at liberty to add jewelry sales to the show.
8. The Show tent is provided by the Show. Exhibitors must provide all furniture, chairs, pedestals, and other equipment for booths. A limited number of tables is available to rent. Electricity is available for an additional \$25 charge.
9. Show hours: Booths must be open during the Sponsors' & Patrons' Reception, 6 - 8PM Fri. evening; and during show hours of 10AM - 6PM Sat. and 10AM - 4PM Sun. Artists may not close their sales booths before 4:00 PM on Sunday.
10. The HCAC is unable to accept responsibility for lost, stolen, or damaged items. Security will be provided overnight.

I have read the rules and will abide by them.
