

Elle Larsen, Director of Real Estate and Art Committee Chair at Monument Health

As the Director of Real Estate at Monument Health, Elle manages a large portfolio of owned and leased properties, ensuring space needs are met for the growing healthcare system and the communities they serve. Elle also serves as Chair for the Monument Health Art Committee, focusing on bringing beauty and comfort to the healing spaces, while creating connections with patients and visitors through art. The Monument Health Art Committee has installed over 1,000 pieces of art throughout their facilities in the last 3 years, featuring work from numerous local artists.
